Here's what has happened in the last month and what's to come!

Welcome to our ITHS newsletter! We are thrilled to share with you the latest developments in our mission to make a positive impact in our community.

Firstly, we would like to express our gratitude to all of our donors and volunteers who have continued to support us during these challenging times. Your generosity and dedication have allowed us to keep our programs running smoothly and effectively.

In terms of our recent activities, we have successfully launched new initiative CTE's to provide education and resources to our students, The Cyber Security and Robotics CTE!

In Sports News! We are excited to announce that our Boys Basketball Team will be playing a very important game next month!

As we approach the much-anticipated holiday season, we want to take a moment to reflect on the hard work and dedication you've showed throughout this semester. Christmas break is just around the corner, but before we take a well-deserve break, we encourage all students to finish the semester strong.

Wishing you all a joyful holiday and a happy new year! Let's finish this semester strong, and look forward to all the new opportunities ahead!
